Subject: Compelling Services

Hi all,

Just to confirm where we have landed.

OPP

- Commissioner has sent the delegation letter to the Commissioner of the OPP. We are waiting for a return
- When the return is received, I will send an email to the CFO of the OPP outlining the process for getting reimbursed.
 - The process will be simple.
 - They will need to provide us with the letters they send to the vendors to compel them and a spreadsheet of the eligible expenses.
 - We will not provide a template for the letter.
 - We will reserve the right to audit after the fact upon request.
 - We will also reinforce the language of the regs on market rates in my email.

RCMP-GRC

- Commissioner will sign one letter giving delegation to a number of positions.
- I will send an email to the list of positions (D/COmm/Crops etc). My email will include:
 - The letter signed by the Commissioner
 - A request that they sign the return to acknowledge the delegation (returned to Annie Peladeau)
 - A copy of the form letter they are to use to compel the vendor

- A description of the process that they are to use once the letter is sent.
 - A reminder to follow the financial delegations
- Denis and Christine Lamarche will describe this process to the Crops officers at noon today

BNs

- Andrea's team is working on a BN to confirm the approach of when we delegate to RCMP and when we delegate outside RCMP-GRC
- Andrea's team will then work on a BN for the Min to provide an status update.

Let me know if there are any concerns.
